

## **Hello children!**

This phrasebook and accompanying CDs are designed to help you acquire comprehension and speaking skills you may need in your everyday life.

What should you do?.. Very simple: listen to the CD and follow the text in the book.

It is important to remember that in English there is no gender distinction. In Hebrew, however, there is such distinction; In this phrasebook the masculine form is used. The English translation, naturally, is gender-neutral.

The book is divided into six chapters. At the end of each chapter there is a short test. Important! If you can answer correctly at least eight of the test questions you may proceed to the next unit. If you can't, don't be discouraged: go over the text again until you are successful in answering the questions.

***Good Luck, and have fun learning Hebrew!***
